Dear Sirs,

Letter of Intent: eTrader Screen Design Workshop

We refer to the discussions between our two companies relating to the potential selection of Eurobase to provide a customised treasury software solution to 'Financial Services Startup Limited', company number 11401151, (name subject to change) of temporary office address Regus London Bridge 3 More London Riverside, 1st Floor, London, United Kingdom, SE1 2RE.

To establish the potential suitability of the eTrader software to meet our requirements, we wish to undertake a 5-day eTrader screen design and related workflow workshop in advance of a formal contract between us. Dates agreed for the workshop are July 23rd – July 27th in London.

This Letter of Intent therefore is our company's authorisation to Eurobase Systems Limited to undertake the 5-day eTrader screen design and related workflow workshop at a fixed price of £5,000.00 (plus VAT).

We accept to receive an invoice from Eurobase for the above amount within 10 days of completion of the workshop, i.e. by August 6th 2018, and accept the payment terms of 30 days from the date of the invoice.

Yours sincerely

For and on behalf of 'Financial Services Startup Limited'
